* Red indicates a recent change					

Please Note:

PLEASE ALWAYS CALL when you are going to miss playing in a tournament that you are signed up for! It has to do with us being able to inform the golf course of how many people to expect! They need to fill empty time slots when they occur.

A Reminder: There are three different methods to contact me / Email, phone or use of the website. If you try to contact me and I don't respond - try the next method. I missed 35 emails last week (because of a password change) before I realized I had a problem!
